From the Rheumatology 2010 curriculum:

## **2.1 The Purpose of the Curriculum**

“The curriculum describes the competencies required to satisfactorily achieve a certificate of completion of training (CCT) and to be registered on the Specialist Register in Rheumatology. The CCT specialist will be able to work as a consultant specialist within the National Health Service and will have the knowledge, skills and behaviours required to do this.”

## **4.14 Structure of the NHS and Principles of Management**

- Outline the principles of consultant contracts and the contracting process
- Know the appointments procedures and the importance of equal opportunities
